I tried to sleep again but found it difficult. I saw that I was travelling on the express highway. Saw the fast cars zooming past, all empty. There were buses, other vehicles, all empty. Huge ugly looking concrete buildings, all empty. Restaurants, hotels, cafes, all empty. They had an eerie look. At a distance, I saw something which appeared to be clusters of humans. When I got closer, I found they were faceless. It is horrific. I must have gone off to sleep eventually.
