P.T.O

Q. 4

Read the passage below and answer the questions.

(10)

Employing a little less than half the work force, agriculture makes up around 15% of the economy. Fragmentation of land holdings and low yields are long standing problems. To add to them a new one has arisen: climate change. Given the increasing risks faced by the farmers and their limited resources, government should overturn its priorities and enhance investment.

- i) Suggest the ways to make Indian farmers more secured and protected.
- ii) Write the meanings of enhance, fragmentation.
- iii) What are the risks faced by the farmers?
- iv) Give the opposites of – low, more.

Q. 5

Write a précis of the passage given and give a suitable title to it.

(10)

You cannot miss the strong coffee culture of the city Melbourne. A fresh bake doughnut with a better than usual latte, express or cappuccino, is an ideal start to the day.

One can smell the city's love for coffee everywhere. People like to walk around with their best takeaway coffee glasses. Old warehouses and workshops have been turned in to coffee shops. On a food tour across the city, the guide told us that there are over 100 types of coffees that you can sip with equal number of dishes Italian, German, Polish, Irish, Indian, Middle Eastern or Indian, you name a cuisine and you'll find it!
