DIPLOMA IN AYURVEDIC SANGYAHARAN : SUMMER - 2018 SUBJECT: PAPER – II: PAIN AND PALLIATIVE CARE- VEDANAHARAN AVUM UPSHAMI CHIKITSA

1) All questions are COMPULSORY. 2) Figures to the right indicate FULL marks. 3) Draw neat and labelled diagrams WHEREVER necessary. 4) Each section should be written in SEPARATE answer book. SECTION-I Q.1 Describe the modalities for relief of chronic pain. (15) Q.2 Write about the importance of knowledge of pain pathways. (15) Q.3 Write about Agnikarma for pain management. (10) Q.4 Write short notes on any TWO of the following: (10) Q.5 Acupressure in pain management b) Technique of siravyadha c) Aromatherapy SECTION-II Q.5 Describe CPR in details (15) Q.6 Elaborate the requirements for establishment of an ICU. (15) Q.7 Describe any recent advance in pain management. (10)	Day: Date:		ednesday /06/2018 S-2018-3788	Time: 10.00 AM TO 0 Max. Marks: 100
2) Figures to the right indicate FULL marks. 3) Draw neat and labelled diagrams WHEREVER necessary. 4) Each section should be written in SEPARATE answer book. SECTION-I 2.1 Describe the modalities for relief of chronic pain. (15) 2.2 Write about the importance of knowledge of pain pathways. (15) 2.3 Write about Agnikarma for pain management. (10) 2.4 Write short notes on any TWO of the following: (10) a) Acupressure in pain management b) Technique of siravyadha c) Aromatherapy SECTION-II 2.5 Describe CPR in details. (15) 2.6 Elaborate the requirements for establishment of an ICU. (15) 2.7 Describe any recent advance in pain management. (10) 2.8 Write short notes on any TWO of the following: (19) a) Adrenaline b) Defibrillation	N.B.:			
3) Draw neat and labelled diagrams WHEREVER necessary. 4) Each section should be written in SEPARATE answer book. SECTION-I Q.1 Describe the modalities for relief of chronic pain. (15) Q.2 Write about the importance of knowledge of pain pathways. (15) Q.3 Write about Agnikarma for pain management. (10) Q.4 Write short notes on any TWO of the following: (10) a) Acupressure in pain management b) Technique of siravyadha c) Aromatherapy SECTION-II Q.5 Describe CPR in details. (15) Q.6 Elaborate the requirements for establishment of an ICU. (15) Q.7 Describe any recent advance in pain management. (10) Q.8 Write short notes on any TWO of the following: (10) a) Adrenaline b) Defibrillation			-	
SECTION-I Q.1 Describe the modalities for relief of chronic pain. (15) Q.2 Write about the importance of knowledge of pain pathways. (15) Q.3 Write about Agnikarma for pain management. (10) Q.4 Write short notes on any TWO of the following: (10) a) Acupressure in pain management b) Technique of siravyadha c) Aromatherapy SECTION-II Q.5 Describe CPR in details. (15) Q.6 Elaborate the requirements for establishment of an ICU. (15) Q.7 Describe any recent advance in pain management. (10) Q.8 Write short notes on any TWO of the following: (10) a) Adrenaline b) Defibrillation			-	ecessary.
Q.1 Describe the modalities for relief of chronic pain. Q.2 Write about the importance of knowledge of pain pathways. Q.3 Write about Agnikarma for pain management. Q.4 Write short notes on any TWO of the following: a) Acupressure in pain management b) Technique of siravyadha c) Aromatherapy SECTION-II Q.5 Describe CPR in details. Q.6 Elaborate the requirements for establishment of an ICU. Q.7 Describe any recent advance in pain management. Q.8 Write short notes on any TWO of the following: a) Adrenaline b) Defibrillation (15)		4)		
Q.2 Write about the importance of knowledge of pain pathways. (15) Q.3 Write about Agnikarma for pain management. (10) Q.4 Write short notes on any TWO of the following: (10) a) Acupressure in pain management b) Technique of siravyadha c) Aromatherapy SECTION-II Q.5 Describe CPR in details. (15) Q.6 Elaborate the requirements for establishment of an ICU. (15) Q.7 Describe any recent advance in pain management. (10) Q.8 Write short notes on any TWO of the following: (19) a) Adrenaline b) Defibrillation			SECTION-I	
Write about Agnikarma for pain management. (10) 2.4 Write short notes on any TWO of the following: (10) a) Acupressure in pain management b) Technique of siravyadha c) Aromatherapy SECTION-II 2.5 Describe CPR in details. (15) 2.6 Elaborate the requirements for establishment of an ICU. (15) 2.7 Describe any recent advance in pain management. (10) 2.8 Write short notes on any TWO of the following: (10) a) Adrenaline b) Defibrillation	Q.1		Describe the modalities for relief of chronic pain.	(15)
Write about Agnikarma for pain management. (10) 2.4 Write short notes on any TWO of the following: (10) a) Acupressure in pain management b) Technique of siravyadha c) Aromatherapy SECTION-II 2.5 Describe CPR in details. (15) 2.6 Elaborate the requirements for establishment of an ICU. (15) 2.7 Describe any recent advance in pain management. (10) 2.8 Write short notes on any TWO of the following: (10) a) Adrenaline b) Defibrillation				Q
Q.4 Write short notes on any TWO of the following: a) Acupressure in pain management b) Technique of siravyadha c) Aromatherapy SECTION-II Q.5 Describe CPR in details. (15) Q.6 Elaborate the requirements for establishment of an ICU. (15) Q.7 Describe any recent advance in pain management. (10) Q.8 Write short notes on any TWO of the following: a) Adrenaline b) Defibrillation	Q.2		Write about the importance of knowledge of pain path	ways. (15)
Q.4 Write short notes on any TWO of the following: a) Acupressure in pain management b) Technique of siravyadha c) Aromatherapy SECTION-II Q.5 Describe CPR in details. (15) Q.6 Elaborate the requirements for establishment of an ICU. (15) Q.7 Describe any recent advance in pain management. (10) Q.8 Write short notes on any TWO of the following: a) Adrenaline b) Defibrillation	Q.3		Write about Agnikarma for pain management.	(10)
a) Acupressure in pain management b) Technique of siravyadha c) Aromatherapy SECTION-II Q.5 Describe CPR in details (15) Q.6 Elaborate the requirements for establishment of an ICU. (15) Q.7 Describe any recent advance in pain management. (10) Q.8 Write short notes on any TWO of the following: (19) a) Adrenaline b) Defibrillation				, ,
b) Technique of siravyadha c) Aromatherapy SECTION-II Q.5 Describe CPR in details. (15) Q.6 Elaborate the requirements for establishment of an ICU. (15) Q.7 Describe any recent advance in pain management. (10) Q.8 Write short notes on any TWO of the following: (19) a) Adrenaline b) Defibrillation	Q.4		Write short notes on any TWO of the following:	(10)
c) Aromatherapy SECTION-II Q.5 Describe CPR in details. (15) Q.6 Elaborate the requirements for establishment of an ICU. (15) Q.7 Describe any recent advance in pain management. (10) Q.8 Write short notes on any TWO of the following: (19) a) Adrenaline b) Defibrillation		a)	Acupressure in pain management	
SECTION-II Q.5 Describe CPR in details. (15) Q.6 Elaborate the requirements for establishment of an ICU. (15) Q.7 Describe any recent advance in pain management. (10) Q.8 Write short notes on any TWO of the following: (19) a) Adrenaline b) Defibrillation		b)	Technique of siravyadha	
Describe CPR in details. (15) 2.6 Elaborate the requirements for establishment of an ICU. (15) 2.7 Describe any recent advance in pain management. (10) 2.8 Write short notes on any TWO of the following: a) Adrenaline b) Defibrillation		c)	Aromatherapy	
 2.6 Elaborate the requirements for establishment of an ICU. (15) 2.7 Describe any recent advance in pain management. (10) 2.8 Write short notes on any TWO of the following: (19) a) Adrenaline b) Defibrillation 			SECTION-II	
 Describe any recent advance in pain management. (10) Write short notes on any TWO of the following: (10) Adrenaline Defibrillation 	Q.5		Describe CPR in details.	(15)
 Write short notes on any TWO of the following: (10) a) Adrenaline b) Defibrillation 	Q.6		Elaborate the requirements for establishment of an ICU	J. (15)
 Write short notes on any TWO of the following: (10) a) Adrenaline b) Defibrillation 				
a) Adrenalineb) Defibrillation	Q.7		Describe any recent advance in pain management.	(10)
b) Defibrillation	Q.8		Write short notes on any TWO of the following:	(10)
		a)	Adrenaline	
c) Transdermal patch		b)	Defibrillation	
		c)	Transdermal patch
