-

Q.1 “Progress for all together is possible through local self government.” Explain this statement in context of meaning, nature, origin, evolution and significance of local self government.

Q.2 “73rd and 74th Amendments are meant to usher in progress and prosperity in India, but a lot is yet to be done to put the idea into meaningful and useful reality for Indian masses”. Explain.

Q.3 How law provides for composition, functions, powers and administration of metropolitan towns and municipal corporations? How and how far the law solves problems of autonomy and accountability suffered by these local governing bodies? Explain.

Q.4 Write a critique on democratic decentralization in rural India by law.

Q.5 How and with what results, law is able to democratically decentralize municipal councils and municipal corporations. Offer a reformative model for this law to achieve progress and prosperity for people in Urban India.

Q.6 “Finance is life and blood for local bodies in India”. Therefore, a well-implemented law should provide financial administration of local bodies in India, taking good care of funding to local bodies and strengthening of local resources. Explain.

Q.7 Why there is need for reforms in local self governance system in India? How law can and should fulfill this need? Explain.

Q.8 Write notes on:
a) State control over urban local bodies
b) State control over rural local bodies
