N.B.:

- 1) Attempt any **FOUR** questions.
 - 2) All questions carry **EQUAL** marks.
-

- Q.1** Discuss the origin, nature and historical development of the Local Self Government in India.
- Q.2** “The ultimate goal of a healthy democracy is the decentralization of power at various levels. The creation and strengthening of the local bodies after the 73rd and 74th amendment has brought us nearer to this cherished goal.” Discuss.
- Q.3** “Creation of rural local bodies have brought the development of rural India into the main stream. Even then dependence of these bodies on the state government cannot be denied.” Discuss.
- Q.4** “Urban development is very clearly the goal of the Municipal Corporations.” Discuss the financial liabilities of the Corporations and the role of the state government in fulfilling them.
- Q.5** “The Mayor is considered the head of the Corporation, but the Municipal Commissioner is said to handle the administration.” Discuss this dichotomy of power sharing and the resultant increase in the efficiency of administration of the corporation.
- Q.6** “The elected representatives in a municipal corporation have to play a varied role” Discuss the powers and duties of the elected representatives in the corporation.
- Q.7** “The Gram Sabha is the very basic feature of grass root democracy.” Explain
- Q.8** Write short notes on:
- a) Panchayat Samiti
 - b) Block Development Officer
