LL.M Tri - III C&AL,I&CL :SUMMER- 2022
SUBJECT : HEALTH LAW

Day : Wednesday
Date : 20-07-2022

S-12388-2022

Time : 10:00 AM-12:30 PM
Max. Marks : 60

N. B. :

- 1) Attempt **ANY FOUR** questions.
 - 2) All questions carry **EQUAL** marks.
-

- Q. 1** "Health is the most important factor in national development. It is a condition of a person's physical and mental state and signifies freedom from any disease or pain. Right to health is a vital right without which none can exercise one's basic human Rights". Critically evaluate the various Constitution provisions related to right to health.
- Q. 2** Define Euthanasia and differentiate between active and passive euthanasia with the help of Aruna Shanbaug case.
- Q. 3** "Medical negligence is the branch of duty owed by a doctor to his patient to exercise reasonable care and skill that results in some physical, mental and financial disability". Comment with the help of case law.
- Q. 4** Elaborate in detail environmental jurisprudence developed under Article 21. How it is related to health. Explain with judicial pronouncement.
- Q. 5** Critically evaluate the salient feature of Drugs and Cosmetics Act.
- Q. 6** Mental health is different from general health as in certain circumstances mentally ill people may not be in a position to make decision on their own. Those who suffer rarely get access to appropriate medical treatment as their families try to hide their condition. Discuss the duties and liabilities of Public Hospital in Mental Health Care.
- Q. 7** WHO in its preamble states that "health is a state of complete physical, mental and social well-being and not merely the absence of disease or infirmity". Explain the role of WHO to control the International Health hazards.
- Q. 8** Write notes on:
- a) Health care and weaker sections of the society
 - b) National Disasters Management Authority
